Cadre of Assistant Commissioners

CB File No. 3 of 1922.

From

The Comptroller to Govt.

No. 1/948 Dt 1.7.1922.

Suggests that the places of Messrs B.S. Ranoji Rao & Ramaswamaiya and Mr. Venkatasubba Iyengar who are now on privilege leave may not be filled up on their retirement and that 1 of the most junior Officers in the Sr. be treated as supernumeraries to be absorbed in the Cadre as vacancies occur and requests early orders

to be kept vacant so long as the Special President continues.

2) Taking these adjustments into consideration, the number of permanent appointments admissible in the cadre at present is only 6%. But as against this number, there are 8% permanent officers as detailed in the Comptroller's letter, thereby exceeding the scale by 1%. The Comptroller has taken account of only 5 of the Probationers of the last batch who were so recently confirmed. The remaining five have also qualified themselves by passing the prescribed test & stand eligible for confirmation in the usual course. If these officers are confirmed, the excess in the scale will be 2%. These officers in excess of the scale will have to be treated as supernumeraries absorbed in the regular cadre as vacancies arise. To facilitate an early absorption it appears to be of the utmost importance that officers of the cadre who are eligible for retirement should not be given any extensions as every instance wherein such a favour is shown, will retard the absorption of the supernumerary. The suggestion of the Comptroller that the places of Messrs Ranga Rao & Ramaswamiah & K. Krishnaswamy Iyengar may not be filled up after their retirement so that three of the supernumeraries may be absorbed

* If the retrenchment of 1 more lecturer is sanctioned, the scale will be further exceeded by one

is worthy of consideration.

2) As can be seen from the enclosed statements, 23 of the permanent officers are on other duty so that the no of permanent officers available to hold regular charges in the cadre, including the probationers to be confirmed, is only 62. Out of 2 of the officers are in the Comptroller's office undergoing training, the total no of officers actually available is reduced to 60. The number admissible in the cadre as explained in the note being 66, (deducting the post of one Asst Secy to be retrenched in the G.H.S) only 6 places could be filled up by acting Asst commissioners. As there are actually 13 acting Asst commissioners against 6 places available for them, 7 of them will have to be reverted so that 4 out of the 5 probationers to be confirmed (one of them already holding charge of Dy) & the three officers on leave ~~to be placed on the cadre of Second Grade Asst Commrs, 1922~~, be provided with regular charges. When Messrs Chennaraj Urs & B. Srinivasa Iyengar return after the completion of their Special duty, 2 more of the acting Asst Commrs will have to give place.

18) The Comptroller states that it is necessary to fix the number of permanent Assistant Commissioners that should hold charges of Magistrates. As the Judicial Separation Scheme has been brought into force only in four of the districts, the number of Assistant Commissioners intended for Special Magistrates' charges should be three as in the case of the Senior Assistant Commissioners for the same charges whose number is two.

19) As stated by the Comptroller, it is necessary not to fill up permanently any of the appointments which fall permanently vacant with a view to reduce the number of permament Assistant Commissioners, whether holding Asst. Commissioners' charges or other charges, to the sanctioned number of 64.

21) The file is returned with compliments with the following remarks:-

(1). The number of permanent Assistant Commissioners on this date is 79 and not 81 as Mr. S. Ramaswamiah retired from service on 1st July 1922 and Mr. B. S. Ranoji Rao on 21st July 1922. If five

more probationary Assistant Commissioners are confirmed, the total number of permanent officers in the cadre would be 84. It would be reduced to 83, when Mr. M. Krishnaswami Iyengar retires from service i.e., from 17-8-22.

(2.) The number of appointments admissible in the cadre was taken by this office at 69 for want of definite orders of Government in regard to:—

(a) fixing the number of 2nd grade Magistrates to be recruited from among Assistant Commissioners at 3;

(b) Reduction of one place of Assistant Secretary, General and Revenue Secretariat and

(c) Keeping the place of one Assistant Secretary to H.H. the Maharaja vacant during the employment of Mr. T. Thumboo Chetty as Officiating Huzur Secretary.

(3.) The number of Assistant Commissioners now on leave is four, as detailed below:-

(1) Mr.M.Krishnaswami Iyengar up to 16-8-22

(2) ,, M. Srinivasa Murthi up to 30-9-22

(3) ,, S.N.Appanna Iyengar up to 9-8-22

(4) ,, B. Shamanna up to 15-9-22

(4.) The number of permanent officers necessarily includes those who are now on other duty, either as Deputy Commissioners or on deputation, and in places of such officers only sub pro-tem, acting or provisionally permanent arrangements are possible. Hence the

NOTE—Contn. sheet.

the number of permanent officers now found in excess of the number of permanent appointments admissible should be shown as supernumararies.

(5.) Taking the above facts into consideration, the excess in the scale from the date of Mr.M.Krishnaswami Iyengar s retirement would be 83-64 or 19, if the five probationary Assistant Commissioners are confirmed and orders of Government re: para (2) supra are passed, and 19 officers would have to be shown as supernumararies, as otherwise the permanent number to be shown in the Civil List would be 83 including the officers on other duty.

(6.) Taking into account the number of officers on leave (excluding Mr.M.Krishnaswami Iyengar due to retire on 17-8-22) in addition to that of officers on deputation, the number of acting appointments admissible would be 26 plus 3 -19 or 10. Arrangements have therefore to be made to revert the acting Assistant Commissioners in excess of this number, simultaneously with the confirmation of the probationary Assistant Commissioners or on the return of the officers on leave or deputation, whichever is earlier.

SIR,

I have the honor to state that the permanent sanctioned cadre of Assistant Commissioners (inclusive of Senior Assistant Commissioners) which was fixed at 76 in G.O.No.5836-54-C.B.191-21-1 dated 21st March 1922 has now been reduced to 73 in accordance with the marginally noted Government Orders abolishing three posts of the cadre. Of the 73 posts forming the cadre, 12 are intended for senior Assistant Commissioners and the remaining 61 for ordinary Assistant Commissioners.

2. There are at present only 10 permanent officers in the cadre of Senior Assistant Commissioners (the remaining two not being filled up owing to the non-introduction of the scheme of Separation of Judicial and Executive functions in all the districts). The post of one Assistant Secretary of the General and Revenue Secretariat, is also filled up by a Munsiff whose place is seconded in the Judicial Department. Further on the retirement of the present Chief Officer of Bangalore City Municipal Council, the place of one more Assistant Commissioner

Commissioner will have to be kept permanently vacant so long as there is an official President of the Municipal Council. Owing to these causes, the number of permanent appointments admissible in the cadre would be 69.

3. The number of Magistrates recruited from among Assistant Commissioners in accordance with G.O.No.G11053-63 Cts.247-18-1 dated 17th November 19 has varied from time to time, the number now holding the charges of Special Magistrates being 4 as against the sanctioned number of 6. It is desirable to fix the permanent number of Assistant Commissioners that should hold charges of Magistrates within the four districts in which the Separation Scheme has been already introduced as in the cadre of Senior Assistant Commissioners.

4. Taking the number of permanent appointments admissible at 69 as stated in para 2 supra, it is found that the number of permanent officers which is now 81 as detailed below exceeds this figure by 12:-

Senior Assistant Commissioners		10
Assistant Commissioners	Sch. A	20
,,	Sch. b	51
		81

5. The excess of 12 over the number admissible in the cadre may be accounted for as follows:-

2	Permanent Assistant Commissioners under training in the Comptroller's office.
1	Chief Officer, Bangalore City Municipal Council due to retire on 21-7-22
1	Assistant Commissioner in charge of Sub Division to be abolished from 1-7-22
4	Probationary Assistant Commissioners confirmed in Notification No.6281-C.B.173-21-16 dated 7-4-22 (excluding one Assistant Commissioner under training in the Comptroller's Office, shown above)
2	Posts abolished since 21-3-22, viz., Personal Assistant to the Deputy Commissioner, Tumkur (G.O.No.6212-71-C.B.115-21-8 dated 15-4-22) and one Assistant Secretary to the Dewan (Vide para 1) without any actual reduction in the number of permanent officers
2	Posts to be counted against Magistrates not actually appointed -Vide para 3 supra.
12	

6. With a view to reduce the number of permanent officers to what is admissible in accordance with the G.O. of 21st March 1922 and later

later orders referred to in para 2 of this letter, I would suggest that the places of Messrs. B. S. Ranoji Rao, B. Ramaswamiah and M. Krishnaswami Iyengar, who are now on privilege leave may not be filled up on their retirement and that nine of the most junior officers in the cadre be treated as super-numeraries, to be absorbed in the cadre as vacancies occur.

7. I request that orders of Government on this subject may be obtained at a very early date.

I have the honor to be,

Sir,

Your most obedient servant,

Comptroller.
